From the Council President

As 2025 comes to an end, my time as Council President also comes to an end. I am so humbled and blessed to have had this experience. When I was first elected to be president, it was way outside of my comfort zone. Thankfully I had a pastor and council to help guide me. The first year was pretty easy, but the second year has been a bit more of a challenge. We have struggled with finances and although we are currently in a better position financially it has come with a cost. First, Pastor Eric graciously cut back his hours to help us financially, for which I am grateful. But in the end, family obligations nudged him into retirement. Although we were sorry to see him go, I believe we are also happy that their family is enjoying the blessing of time together. His retirement has brought us to a new beginning.

We are currently in the process of calling a new pastor. Thank you to the Call Committee for all your hard work and dedication to the process. We all pray that God will bring us the person we need to guide and support us, as we continue our work in this congregation and in the community, so that we may be a blessing to all with whom we come in contact.

During this time of waiting we have been blessed by two wonderful LMAs and several others, who along with our great Worship leaders have led us in meaningful worship each Sunday. We also have great support from our Secretary, Treasurer and Maintenance staff who keep things running smoothly from week to week. Thank you for your dedication. This has certainly been a learning experience and I am ready to step back into my comfort zone working in the background. Thank you all for your support and encouragement.

Blessings to you all,
Kerrie Ramstead

FISH Update

On behalf of FISH, thank you for your kind and generous support. Your love and concern make this worthwhile organization possible. You have been generous to FISH in the following ways: contributing to the Town Pump challenge, volunteering at FISH when your week is scheduled, donating food, supporting FISH with financial gifts, helping and attending the Loaves & Fishes dinner, and praying for our continued success in feeding needy families. With your help FISH did receive the \$25,000 for matching funds.

On behalf of the Board of directors of FISH, thank you again for all your support and your partnership in the FISH program this past year.

1st Quarter Change for change

Alliance for Youth will be the recipient of the 1st Quarter change for Change. They are an organization that cares for and supports homeless and at-risk youth in our community. Their drop-in center provides snacks and meals, a place to work and get help with homework, showers, laundry services, and more. Watch for the Change for Change can at the back of the church on the last Sunday of each month. Your change can make a positive impact for vulnerable youth in our community.

Thank you, The Human Concerns Committee

Family Promise Opportunity

Family Promise of Great Falls has approached the Church Council with an opportunity that may be mutually beneficial for both Family Promise and Our Savior's. They are interested in renting part of our building to provide additional housing options for the families that they serve.

We have discussed using the top floor of the Education Wing. To start, we have discussed providing a safe space for overnight with the families using the Family Promise offices at Central Christian during the day for support services, showers, laundry, etc. There are many details to work out to see if it would even be a viable situation for both of us. **Nothing will happen without the approval of the congregation.**

I would like to take a vote at the Annual Meeting to see if the congregation has an interest in pursuing this opportunity. If so, we will ask Family Promise to present a formal proposal for our consideration. If you have questions, please contact any of the Church Council Members.

Kerrie Ramstead, Council President

Come Hear the New Bishop of the Montana Synod

Bishop Ben Quanbeck will be joining us for service on January 11, 2026. After service, he will be meeting with the Call Committee as they continue to work to find our next pastor.

1st Quarter Special Offering

Family Promise is the recipient of the 1st Quarter Special Offering. The motto of Family Promise is ending childhood homelessness, one family at a time. Family Promise provides a number of services to help families find and sustain housing, including emergency shelter, eviction prevention and case management. They provide a safe place for families to get back on their feet. Not a hand out, but a hand up.

A speaker from Family Promise will be with us on February 8 to share more on their mission followed by a free-will offering at the end of service. If you are able to make a donation on that day, please make checks to Family Promise. If you are unable to attend services on that Sunday and would like to make a donation, you may make checks out to Our Savior's with Family Promise in the memo, and we will forward it on to Family Promise. Thank you for your generosity to the community programs that we have brought forward for your support.
